Hello sir/mam,

I am writing to express my strong interest in the software engineering opportunities at your company. With my proficiency in Java programming at an intermediate level, along with certifications in Microsoft Azure Fundamentals (AZ-900), AWS, and my practical experience gained during my internship at LTIMindtree, I believe I am well-suited to contribute effectively to your team.

Over the course of my academic and professional journey, I have developed a solid foundation in Java programming and gained practical experience in cloud computing platforms such as AWS. My internship at LTIMindtree provided me with invaluable hands-on experience in Java full-stack development with a strong focus on cloud computing.

Here are some highlights of my qualifications:

Java Proficiency: I possess intermediate-level skills in Java programming, allowing me to design and implement software solutions effectively. This expertise enables me to contribute to your development projects.

Cloud Computing Certifications: I am a Microsoft Certified Azure Fundamentals (AZ-900) professional and have practical experience working with AWS. These certifications reflect my commitment to staying up-to-date with the latest cloud technologies and best practices.

Practical Experience: During my internship at LTIMindtree, I gained hands-on experience in developing full-stack Java applications while actively utilizing cloud services within the AWS console. This experience has provided me with a strong foundation in cloud architecture, scalability, and deployment.

Scripting Skills: I am proficient in scripting languages like PowerShell and Bash, which enhance my ability to automate tasks and streamline processes, contributing to increased operational efficiency.

I am excited about the opportunity to bring my skills and enthusiasm to your organization. I am confident that my combination of technical skills, certifications, and practical experience makes me a strong candidate for software engineering roles.

Thank you for considering my application. I look forward to the possibility of discussing how my skills and experience align with your team's goals during an interview. Please feel free to contact me at 9444963598 or madheshravi2001@gmail.com to schedule a convenient time for us to speak.

Sincerely,

Madheshwaran.R
